#### **IMPORTANT NOTICE TO ALL ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS**

The Irish Show Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing animals at Shows, we understand that it costs very little or nothing at all, depending on whom you have Insurance cover with. If you are one of the few who don't have cover we would advise that you think about putting it in place for this purpose, it may be well worthwhile. The reason for us giving you this advice is that if your animal lashed out & injured someone or damaged someone's property & it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, you may end up paying all, or part of any settlement reached.
